"Medical Advice Given by a Woman."
Is not the fact just as eatent that being a woman does not qualify her to give medical advice. The woman must be a physician to do that. Medical advice given by an unskilled woman is just as dangerous as if given by an unskilled man.

In inviting sick and ailing woman to consult him by letter without charge. Dr. Pierce points to an experience and practice of over thirty yestra, devoted specially to diseases peculiar to women. In that time Dr. Pierce and his associate staff of medical specialists have successfully to diseases peculiar to women. In that time Dr. Pierce and his associate staff of medical specialists have successfully to diseases peculiar to women. All correspondence is treated as strictly private and sacredly confidential. Letters are promptly answered, and the doorkeeper.

William Jennings Bryan," shouted the doorkeeper.

However, a friend who had influence came up and introduced Mr. Chenault to the doorkeeper, with the result that the result that the result that the result that the came up and introduced Mr. Chenault to the doorkeeper, with the result that
